FOR IMMEDIATE RELEASE:

Franconia Township Plans No Municipal Real Estate Tax Increase for 2016

Franconia Township, Pennsylvania – October 25th, 2015

On Wednesday, November 4th, at 4:00 pm, Franconia Township will hold a public workshop meeting to present the 2016 budget.

Township Manager Jon Hammer states “The 2016 budget presentation will be presented with no municipal real estate tax increase proposed. The proposed 2016 budget will be very similar to what was presented in our five-year plan. Our financial position is strong, and growing stronger.”

Board President Grey Godshall is happy with the five-year plan and 2016 budget, “Through good fiscal planning, we’re projecting to be on target moving forward. We’ve had clean audits, we have a new five-year police contract in place, and we’re delivering more quality services than ever before. We have very little long-term debt and our tax rate is one of the lowest in the state.”

Franconia Township will post a copy of the draft budget on the township website at www.franconiatownship.org after the November 4th meeting. The township website also has copies of the township audit, five year plan, and other detailed financial information.
