Retail Theft Reports

Franconia Township Police are investigating two retail theft incidents over the past two days at the CVS Pharmacy at Harleysville Pike and Godshall Road.

At 7:00 p.m. on Monday, a woman took one or more home pregnancy test kits from a display in the store. She ran from the building and was last seen riding as a passenger in an SUV that headed east on Godshall Road. The woman is described as being about 20 years old with red or brown hair.

In the second incident at 2:00 p.m. on Tuesday, two teenaged males exited the store without paying for soft drink bottles. One of the males became involved in a minor scuffle with the store manager who had confronted him. It was learned that a third male also accompanied the others into the store. All were described as white males wearing hooded sweatshirts. One male appeared to be about 5'9" tall and the other is about 6'4". They were last seen driving in a red sedan headed east on Godshall Road.

Police are continuing with investigations on both incidents.
