Franconia, Pennsylvania 18924-0128

Contact Person: Chief Joseph S. Kozeniewski September 2, 2009

FOR IMMEDIATE RELEASE

STOLEN VEHICLE AND THEFTS FROM VEHICLES

Franconia Township Police are attempting to identify the persons who broke into numerous vehicles during the early morning hours of Wednesday, September 2, 2009. Five residents on School House Road near Indian Creek Road reported that they found the glove boxes and consoles in their vehicles had been entered. Several victims reported that portable electronic items were stolen.

One of the vehicles was also reported stolen. Police recovered this vehicle nearby a short time later.

Because all of the entered vehicles were left unlocked, police are urging residents to remove personal items and valuables each night and then securely locking their vehicles. Police are also asking residents to call police if they see anything suspicious or may have any information that would assist police in their investigation.
